TUMBARUMBA NSW 2653

Dear Parents and Carers,

Tumbarumba High School has made a terrific start to the challenging 2022 school year and we have implemented a variety of COVID-19 prevention practices; however, we are well aware that from time to time cases of COVID-19 will be detected within our school community.

We will endeavour to promptly communicate to parents and carers when we are advised of confirmed COVID-19 cases within our student body and staff. This information will be communicated through an SMS alert which will contain a link to our school's webpage where a more detailed explanation (referring to specific cohorts or year groups and possible health advice) will be provided.

Thank you for your support.

Yours sincerely

Mr Michael Blenkins
PRINCIPAL

Mrs Megan Finnimore
DEPUTY PRINCIPAL

3rd February 2022
