UC 4 Yourself **University Experience Day**

Dear Parent/Guardian,

The University of Canberra is excited to offer students from your school the opportunity to participate in the upcoming *UC 4 Yourself* University Experience Day. Your student may have participated in the *Aspire UC* program delivered in-class at your school.

UC 4 Yourself days offer students across NSW and the ACT the unique opportunity to visit the University of Canberra campus to experience a day in the life of a university student.

Students participate in a range of exciting activities, including:

- Campus tour
- a lecture theatre experience
- Student accommodation tour
- A hands-on workshop facilitated by academics and/or current students
- Engagement with current uni students and UC staff
- The 'Expo' - with staff and students from a wide range of courses available to provide information and answer questions

UC 4 Yourself days aim to provide students with the information and skills needed to make decisions regarding their post-school options and pathways. The day is a wonderful opportunity for all students - especially those who may not have considered a university pathway before - to experience firsthand the opportunities a university degree may provide.

UC 4 Yourself is provided free of charge to schools and students, including transport costs, to allow all students the opportunity to participate.

We hope you will provide permission for your son or daughter to attend the upcoming *UC 4 Yourself* day and we look forward to welcoming them to the University of Canberra.

Kind Regards,

Diana Grace
